## EXPERIENCE

### *Advisory Marketing Specialist*

*Cytoskeleton, Inc.*

Denver, Colorado, 2010 - Current

I serve as graphic designer, marketing specialist, customer service, admin, and data maintenance for a biotechnology company.

### Accomplishments

- Revitalized branding and marketing strategies, leading to record-breaking sales and continuous growth.
- Continuously improved visual presence of company by completing over 100 designs for mailers, emails, websites, t-shirts, tradeshow booths, packaging, promotional inserts, newsletters, and more.
- Created multiple catalog covers and interiors, improving annually, as noted by customers.
- Consistently achieved over 98% customer satisfaction by optimizing processes and delivering quick and helpful solutions for customers.
- Grew mail list by thousands of customers, while maintaining quality leads.
- Promoted from Customer Service to Advisory Marketing Specialist through excellent customer service, clean data management, and improved graphics.
- Learned multiple skills on the job, including advanced design, product photography, videography, and voiceover.
- Learned basic HTML independently to assist with email campaigns and web-based assignments.
